**Note:** The above websites are blocked by some, if not all, USAF & USCG military commands for security purposes. To gain access you may need to open them using a non “...@us.af.mil” / “...@uscg.mil” source. **Also, due to the Bulletin's size/content recommend you whitelist my email addrees [raoemo@sbcglobal.net](mailto:raoemo@sbcglobal.net) & [raoemo77@gmail.com](mailto:raoemo77@gmail.com) in your computer as indicated at <https://connectthedot.com/email/mean-whitelist-email-whitelist-email> to avoid them being blocked as spam.**

== To subscribe send to [raoemo@sbcglobal.net](mailto:raoemo@sbcglobal.net) or [raoemo77@gmail.com](mailto:raoemo77@gmail.com) your full name plus either the post/branch/chapter number of the fraternal military/government organization you are currently affiliated with (if

any) “AND/OR” the city and state/country you reside in so your addree can be properly positioned in the Bulletin mailing directory for future recovery. Subscription is open at no cost to all veterans, dependents, military/veteran support organizations, and media.

== Anyone who wants to remove or change their email addree from the Bulletin mailing list can use the automatic “UNSUBSCRIBE” or “Change of Address” tabs at the bottom of this message or send a message to [me](mailto:me) with the word “DELETE” or “COA” in the subject line.

## Notes:

1. **Subscription:** New subscribers and those who submit a change of address should receive a message that verifies their addition or address change being entered in the mailing list. If you do not receive a message within 3 days it indicates that either I never received your request, I made an error in processing your request, or your server will not allow me to send to the email addree you provided. Anyone who cannot reach me by email can call (858) 842-1111 to ask questions or confirm info needed to add them to the directory. This Bulletin Availability notice was sent to the 18,361 subscribers.

2. **Backup Email Addrees:** If you have another email addree at work or home and would like to receive Bulletin notices there also, just provide the appropriate addree to [raoemo@sbcglobal.net](mailto:raoemo@sbcglobal.net) or [raoemo77@gmail.com](mailto:raoemo77@gmail.com).

3. **Philippine Subscribers:** Bulletin recipients with interest in the Philippines, whether or not they live there, can request to be added to the Bulletin’s Philippine email directory for additional receipt of notices on U.S. Embassy Manila, TRICARE in the RP, and Clark Field Space 'A' if it is ever reinstated.

4. **Article Retrieval:** Past Bulletin articles are available on request. Bear in mind that the articles were valid at the time they were written and may have since been updated or have become outdated. To request provide original article title. If unknown provide a brief description of what the article was addressing.

5. **Publishing Frequency:** The Bulletin is normally published on the 1st and 15th of each month. It is provided as a website accessed document vice email direct access. If you do not receive an email Bulletin Availability notice check to see if it is posted on the website [www.nhc-ul.org/rao.html](http://www.nhc-ul.org/rao.html) before sending me an email asking if one was published. If you can access the Bulletin at the aforementioned site it indicates that something is preventing you from receiving my Availability notices. Send me an email so I can verify your entry on the mailing list and modify its transmission path if necessary.

6. **Unable to Receive:** Note that some email providers (especially SBCGLOBAL & lately COX and Roadrunner) allow many, but not all, of their users to receive the Bulletin if sent to them in its normal fashion via my mailing list provider (MLP). For those subscribers adversely impacted by this I maintain a separate direct mailing list (DML) to send in an alternate manner for those not allowed by their servers to receive their Bulletin Availability notices. If you are impacted by this let me know so I can add you to that mailing list which currently contains about 500 subscriber’s email addrees.

7. **Sources:** Articles within the Bulletin are editorialized information obtained from over 100 sources. At the end of each article is provided the primary source from which it was obtained. The ++ indicates that that the information was reformatted from the original source and/or editorialized from more than one source. Because of the number of articles contained in each Bulletin there is no way that I can attest to their validity other than they have all been taken from sources that have been previously reliable. Also, just because an article appears in the Bulletin it does not necessarily mean I support its content. If an article is based on the author’s opinion vice a government entity I try to note that after the author’s name. Readers who question the validity of any article’s content are encouraged to go to the source provided to have their questions answered or express their opinions. I am always open to comments but, as a policy, shy away from anything political. Too controversial and time consuming.

8. **Forwarding Content:** Recipients of the Bulletin are authorized and encouraged to forward the Bulletin as a whole or its individual articles or attachments to other vets or veteran organizations. However adding advertising or using it for commercial purposes is not authorized.
