Veteran Housing Programs

Alabama State Veterans Home Program

The people of the United States have always held a tradition, mandated by law, that those who serve the country in the armed services, especially in time of war, shall receive consideration and care when they are in need. The hospitals maintained by the U.S. Department of Veterans Affairs have filled the needs of acutely ill or injured veterans. But a different type of facility is needed for aging or chronically disabled veterans. The State of Alabama is extending this special kind of care to veterans through a partnership with the federal government and private industry by proudly operating four state-of-the-art Veterans Homes located within the state. The Alabama State Veterans Homes are a very affordable solution for you or your loved ones. There is a monthly fee for residence in the homes. Applications may be obtained from your local Veterans Service Office, download at <http://www.va.state.al.us/BNHome.aspx>, or by contacting the facility.

Alabama State Veterans Cemetery

The Alabama State Veterans Memorial Cemetery at Spanish Fort sits on over 120 acres of land in Baldwin County, Alabama. The cemetery was dedicated in December 2012 and began interments in April 2013. The initial phase of the cemetery is 22.8 acres and has 2,776 burial sites (2,392 in-ground). The lifespan of the entire cemetery is 100 years.

Alabama State Veterans Memorial Cemetery, 34904 Alabama Highway 225, Spanish Fort, AL 36577 Tel: (251) 625-1338 Website: www.va.alabama.gov

The Eligibility for interment in the State Veterans Cemetery follows National Cemetery Administration [eligibility requirements](#). In general, U.S. Veterans discharged under conditions other than dishonorable and their spouses and dependent children are eligible. Committal services are conducted Monday through

Friday between 9:00 a.m. and 3:00 p.m. Services are held in the committal shelter. The cemetery does not offer graveside services. For veterans, the cemetery provides the following at no cost:

- Burial plot or columbarium niche
- Concrete liner for casket burials
- Opening and closing of the grave
- Perpetual care of the gravesite
- Inscribed gravestone
- 30 minute committal service

All other funeral expenses are paid by the veteran's family or estate

Alabama state residency requirements for burial in the State Veterans Cemetery must meet one of the following:

- Legal resident of Alabama at the time of death; or
- Legal resident of Alabama when he or she entered the Armed Forces of the United States; or
- Legal resident of Alabama for a period of 10 or more years (any cumulative period of 10 or more years, regardless of residency at the time of death).

The surviving spouse of an eligible veteran that has been interred who remarries retains his or her eligibility for burial. Unmarried children who are under 21 years of age, or who are under 23 years of age and are pursuing full-time education at an approved institution; or an unmarried adult child of an eligible veteran of any age if the child became physically or mentally disabled and incapable of self-support by reason of mental or physical disability before reaching 21 years of age or before reaching 23 years of age if pursuing full-time education at an approved institution are eligible. For spouses or dependent children, a \$375.00 fee will be charged on the day of interment. For veterans, there is no cost.

Pre-registering allows a veteran and their spouse to establish, in advance, their eligibility for burial. There is no cost for pre-registration and it does not obligate the veteran to be interred at the cemetery. Pre-registration is intended to simplify and assist the veteran's next-of-kin at the time of death. The key items needed for pre-registration are a copy of the veteran's discharge certificate (DD Form 214) and, for married veterans, a copy of the marriage certificate. For veterans who are determined eligible, the burial includes a two-person gravesite, opening and closing of the grave, a grave liner, ongoing care of the gravesite and a government-furnished headstone or marker. These benefits come at no cost the veteran or his or her family. To learn more about pre-registration and the cemetery, contact Tony Ross, cemetery director, or Joseph S. Buschell, assistant cemetery director, at (251) 625-1338. Pre-registration forms and more information are available at <http://va.alabama.gov/spanishfort.aspx>.
