The veteran must have or obtain a Certificate of Eligibility for Home Loan Guaranty from the Department of Veterans Affairs (VA) and be discharged from extended active duty under honorable conditions. The unmarried surviving spouse of eligible persons who died as a result of service or service-connected injuries qualifies, as well as the unremarried spouse of any eligible veteran who has not purchased a home since the veteran's death are eligible.

Each of the four State Veterans Nursing Homes has 150 beds and provides skilled nursing home care for eligible Veterans and spouses. Eligibility for admission to the Homes requires that the applicant:

1. Was active duty in the U.S. Armed Forces and have been discharged under other than dishonorable conditions (applicant must supply Form DD 214 or equivalent report of Separation from Service); or a spouse of a veteran who is currently a resident of a Mississippi State Veterans Home or deceased.
2. Be or have been a Mississippi resident; however, if no Mississippi resident is waiting for admission, a non-resident may be admitted to the home.
3. Have had a medical examination by a personal or VA-physician within 30 days of admission and, as a result, demonstrate that he/she:
  - Does not have a communicable disease;
  - Does not require medical or hospital care for which the Home is not equipped or staffed to provide;
  - Does not have traits which may prove dangerous to the physical wellbeing of other residents, employees or the veteran.

Applicants must have a medical need for nursing home care and must be able to pay the applicable daily charge for care in the Home. A portion of the cost of care in a Mississippi State Veterans Home is covered by the VA with the remaining cost paid by the veteran or by his/her family; from available funding sources, such as military or civilian retirement; VA compensation or non-service connected pension; social security benefits for personal funds. Indigent veterans may qualify for financial assistance.

The homes offer trained specialists and a variety of health care disciplines, the latest in medical technology and equipment, full support services and access to nearby amenities. Each home:

- Employs a licensed medical director and provides long term care. These physicians provide admission exams and routine physical examinations. They visit residents to ensure their physical wellbeing. They provide care to all residents; however veterans may also choose a private physician at their own expense.
- Employs a licensed nursing staff, supervised by a registered nurse. The staff serves residents 24 hours a day. Nursing personnel offer a broad range of experience, with a particular emphasis on geriatric services.
- Provides rehabilitation services by a licensed professional. To improve and maintain maximum functioning of each veteran, the homes offer occupational, physical, speech and hearing therapy.
- Provides medication for the residents and has a licensed pharmacist who reviews drug regimens and counsels residents on medication usage.

Staff at Mississippi State Veterans Homes strive to provide a comfortable home for the veterans. A full range of daily living services are available to help make each day a pleasant and productive one.

- Recreational activities encourage residents to lead active lives by meeting their physical, emotional, social and religious needs.
- Service officers provide counseling to residents and their families. Residents may also receive assistance in obtaining financial benefits.
- All meals are prepared on site, and special therapeutic diets are available if prescribed by a physician. The nutritional needs of each resident are supervised by registered dietitians. Meals are served in the attractive dining halls and resident's rooms.
- Transportation to and from community activities and medical appointments may be provided by each home. In an emergency, ambulance service to near-by hospitals may also be provided.

Applications for admission to the Mississippi State Veterans Homes may be obtained from the homes, county veterans service officers (listed at <http://www.vab.ms.gov/csolist.pdf> ) or online at <http://www.vab.ms.gov> The completed application should be sent to the home of choice. The admission committee at the home reviews the application, and a member of the social work staff will contact the applicant's family to arrange admission. The process usually takes approximately two weeks, but may be shortened in emergency situations. At the time of approval, if no spaces are available in the applicant's home of choice, the applicant may choose to an alternative home or place on a waiting list until space becomes available.
