## Veteran Housing Programs

### Ohio Veterans Home

The Ohio Veterans Homes are a State of Ohio establishment comprised of three facilities—a nursing home located in Georgetown (approximately 45 miles east of Cincinnati), and a nursing home and a domiciliary located in Sandusky (approximately 60 miles west of Cleveland). Each one offers a quality of life which emphasizes privacy, encourages independence, provides comfort and security, and meets social needs. You must be an Honorably discharged wartime veteran and have been a resident of the State of Ohio for one year anytime during lifetime (does not have to be consecutive) and are disabled and unable to earn a living. The financial assessment is based on the resident's monthly income and assets. Maximum cost is approximately 1/3 the cost of private care. Schedule a tour today and see why the Ohio Veterans Homes are the perfect fit for you or the one you love the most.

The three main objectives of the program are to:

- 1) Help relieve teacher shortages.
- 2) Provide positive role models for the nation's public school students.
- 3) Assist military personnel in the successful transition to teaching as a second career. Federal funding may be provided to eligible individuals through stipends up to \$5,000 to help pay for teacher certification costs, or as bonuses up to \$10,000 to teach in a high-needs school.

The Troops to Teachers Program is not a certification/licensing program. To teach in Ohio, you must be licensed by the Ohio Department of Education.
