Housing Benefits

State Veterans Centers

The following are state nursing homes located in Oklahoma:

Ardmore Veterans Center

The Ardmore Veterans Center is a historic site situated on 55 acres of lawns, gardens, and fields. The beautiful modern site is located on the US Highway 77 (1015 S. Commerce) in the southwest section of

Ardmore, Okla. The original buildings of the home were constructed in 1910 as a home for Civil War Veterans. Since that time nursing care beds have been added for the improvement of the facility.

In 2010, the home celebrated caring for veterans for 100 years. The total bed capacity at the Ardmore Veterans Center is 175 nursing care beds. The center has continued to have improvement projects through the years. The current project at the center is the construction of a new laundry facility and renovation of the pharmacy, lab and X-ray, and physical therapy departments.

Activities include bingo, arts and crafts, pool, dominoes, field trips, fishing trips, sightseeing, visits by various singing groups and many other activities.

This center provides care for male and female wartime veterans to honor their military service to this great country. For admission information applicants should communicate directly with the Admissions Office at P.O. Box 489 or 1015 S. Commerce, Ardmore, OK 73401, or by phone at (580) 223-2266.

Claremore Veterans Center

The Claremore Veterans Center is approximately 30 minutes from downtown Tulsa just off historic Route 66 nestled between a beautifully manicured golf course and Rogers State University's 160-acre nature reserve.

Completed in 1988, this modern 302-bed facility is dedicated to the ideal that caring for Oklahoma's veterans is our primary mission. The Center provides 24-hour medical and nursing care. Our 5 fully licensed medical staff work closely with a full range of nursing staff consisting of registered nurses, licensed practical nurses, and certified nurses aides. A holistic plan of care is provided for each resident and family, utilizing the expertise of our full time staff from such diverse areas as dietetics, rehabilitation, recreational therapy, laboratory, pharmacy, X-ray and social work services.

Due to the demand for specialized care of Oklahoma veterans with dementia, a new 52-bed special needs unit for Alzheimer's/dementia care opened in December 2002.

Center activities include bingo, rodeos, arts and crafts, pool tournaments, field trips and fishing in our well-stocked pond. A 2,000-square foot covered pavilion is available for resident and family activities.

The Claremore Veterans Center is a functioning memorial to Oklahoma's wartime veterans provided by the grateful people of the state of Oklahoma. For admission information, applicants should communicate directly with the Admission Office at P.O. Box 988 or 3001 W. Blue Starr Drive, Claremore, OK 74018-0988, by phone at (918) 342-5432 or via email to any of the following:

Clinton Veterans Center

The Clinton Veterans Center is located on 70 acres ¼ of a mile off of I40 at exit 66 on the south edge of Clinton where residents enjoy a home-like atmosphere of western Oklahoma hospitality. The Center has 148 nursing care beds with 50 beds devoted to the specialized treatment of Alzheimer's and other dementias. Residents enjoy frequent activities in the recreation hall and auditorium with a seating capacity of 300. Renovations to the original building have been numerous with 2 major renovations in 1995 and 2002 as the facility maintains a desire to provide the best possible environment with the latest equipment and resources available. New dining and laundry facilities are scheduled for construction in 2011.

Medical services include medical providers, nursing staff, rehabilitation therapy, pharmacy and recreational therapy to provide the highest quality of care. Transportation to and from local appointments and appointments at the Veterans Administration Medical Center in Oklahoma City are provided for the convenience of the veterans. Medical supplies, medical equipment and medications are provided to the veteran as part of the inclusive medical care.

For admission information, the veteran should communicate directly with the Admissions Office at P.O. Box 1209 or 1701 South 4th, Clinton, OK 73601, by phone at (580) 331-2200 or by email to any of the following:

Lawton/Ft. Sill Veterans Center

The Lawton/Fort Sill Veterans Center is located at 501 S.E. Flower Mound Rd., in beautiful Lawton, Okla. This 200 bed long term care facility currently accepts skilled, intermediate and Alzheimer's/dementia residents.

The facility has several features which are the reason it is the "the crown jewel of Oklahoma." We have a fishing pond with a gazebo that allows our handicapped residents to fish right from the dock. We have a walking track around our facility and pond that is well lit at night. During nice weather, we give our residents a ride around the pond in our golf carts. Our chapel is available to our residents and their families as well as our community. The Colonel Hardy Stone Auditorium serves as our storm shelter and can easily hold several hundred people.

Our community is very active with our veterans and many activities are sponsored by various groups on a daily basis. Please come see our facility anytime during our business hours.

If you are interested in admission, please contact our Patient Services Coordinators, Kelly Ringwald and Joya Fancher-Bhagan, at P.O. Box 849, Lawton, OK 73502 or 501 S.E. Flower Mound Road, Lawton, OK 73501 or by phone at (580) 351-6511 or by email to any of the following:

Normans Veterans Center

Construction of the new Norman Veterans Center began in March 1994, and was completed on November 1996. The facility consists of 239,000 sq. feet with a 301 bed capacity to serve both male and female Oklahoma Wartime Veterans. The total cost of the facility was \$29 million, with 65% of the funding provided by the Federal Veterans Administration and the remaining 35% funded by the State of Oklahoma.

Gralla/Rees Associates Architects and Planners of Oklahoma City designed the facility to create a cheery, comfortable atmosphere for the residents. Hardwood floors, wood trim and columns, combined with plenty of light from several skylights are just some of the home like touches. Three two story patient wings originate from a central area encompassing a physical therapy room, recreation area with pool tables, pinball machines and a canteen.

The residents can also enjoy a dining room with a balcony and terrace as well as a gallery displaying the works of local artists. This spacious facility also features additional exterior activity areas such as pavilions along the walking trails, a fishing dock, scattered ponds and natural hill side with plenty of vegetation.

For admission information you may contact the Admissions Office at P.O. Box 1668 or 1776 E. Robinson St., Norman, OK 73070 or by phone at (405) 360-5600 or by email to one of the following:

Sulphur Veterans Center

The Sulphur Veterans Center is located on a 17-acre site in Southern Oklahoma's outdoor paradise. The center overlooks the Chickasaw National Receptions Area, one of Oklahoma's most beautiful areas. The Lake of the Arbuckles, Turner Falls and the Arbuckle Mountains are all located in the immediate area. The original buildings at the center were constructed in 1921, as a tuberculosis sanatorium for veterans. The center once provided general medical hospital care including surgery, coronary care, and dialysis treatment. Since that time these beds have been converted to nursing care beds for Oklahoma's heroes.

In 1984, a construction project was completed adding a new dietary and central storage building to the facility, featuring a dining room with a full glass northern exposure overlooking the scenic Chickasaw National Recreation Area. In September 2000, a \$4.9 million construction project was completed adding a new two-story structure with the capacity for 60 long-term nursing care beds. The new wing provided two 30-bed units with both private and semi-private rooms to replace the 1920s barracks style open wards and bring the center into the twenty-first century. One unit has been designed to accommodate veterans with special needs. In December, Phase I of a \$19.5 million dollar project was completed with a capacity for 62 nursing care beds. This building replaces 1920s and 1950s era buildings. Phase 2 was completed in April 2014. The total capacity of Sulphur Veterans Center is now 122 nursing care beds.

Based on the veterans' individual needs, long-term skilled nursing and medical care is provided by a full time medical staff, registered nurses, licensed practical nurses, certified nurse aides, licensed social workers, pharmacist, laboratory technologists, certified dietary managers as well as numerous support staff. Therapeutic recreational activities are also provided. Residents enjoy outings in the surrounding community, including fishing trips, bowling and shopping trips.

Talihina Veterans Center

The Talihina Veterans Center was originally constructed as the Eastern Oklahoma Tuberculosis Sanatorium in 1921. The name was changed in 1972, to Oklahoma State Sanatorium. On July 1, 1975, the Sanatorium was transferred to the control of the War Veterans Commission to provide nursing care to Oklahoma veterans, both male and female.

The Oklahoma Veterans Center at Talihina, Okla., is located approximately 2 miles northwest of Talihina on State Highway 63A. Largest in area of all the centers, it is situated on a beautiful 600 acre site at the western edge of the mountainous Ouachita National Forest. The immediate center grounds are adorned with huge native pine and oak trees, three fishing ponds, patios and other outdoor activity areas for the 175 nursing care patients including a 50 bed Special Needs Unit. A full time staff of doctors, registered nurses and other medical personnel assure the patients the highest quality of care.

For admission information, the applicant should communicate directly with the Admissions Office at P.O. Box 1168 or 10014 SE. 1138th Ave., Talihina, Oklahoma 74571 or by phone at (918) 567-2251 or by fax at (918) 567-2950 or by email to any of the following:

Admission

I. Eligibility Requirements

An eligible Oklahoma Veteran is an individual who is certified by the United States Department of Veterans Affairs (USDVA) for receipt of per diem payment.

A. Individual has served at least 90 days with one or more days being on active duty. EXCEPTION: Individual was discharged due to or as a result of a service connected disability other than dishonorable discharge.

B. Individual must be disabled by age, disease or other reason as specified in 38 CFR 17.46.

- Admission to a Nursing Care Center - Veteran shall be disabled and/or diseased which requires a skilled type nursing care center (i.e., requires intermediate or skilled type nursing care).

II. Admission Priorities

The purpose of these procedures is to establish a fair and equitable process for the placement of eligible Veterans on a waiting list for admission to a Veterans Center. The Veterans Center Administrator shall have the flexibility to determine variation from the waiting list based on medical and/or humanitarian need. The waiting list priority for eligible Veterans is:

1. **World War II Veterans.** Admitted to the first available bed capable of providing the level of care required. If there are no remaining World War II Veterans, Veterans of the next oldest wartime period shall be admitted to the first available bed capable of providing the level of care required.
2. **Ex-Prisoners of War.** Admitted to the first available bed capable of providing level of care required. Veterans will be placed at the top of the waiting list if there are no eligible Veterans on the waiting list that are World War II Veterans.
3. **Eligible wartime Veterans.** These Veterans will be placed at the top of the waiting list if there are no eligible Veterans on the waiting list in the first two priority listed above, and will be admitted to the first available bed capable of providing the level of care they require, in the following order based on the date of receipt of the application:
 - i. Eligible wartime Veterans with service connected ratings of 70% to 100% by the USDVA.
 - ii. All other wartime Veterans with service connected ratings form 0% to 60% by the USDVA.
 - iii. All other eligible wartime Veterans not specified in earlier categories will be placed on the waiting list in chronological order based on the date of receipt of the application.
4. **All other eligible Veterans.** These Veterans, including those with no wartime service, will be placed at the top of the waiting list if there are no eligible Veterans on the waiting list in above listings, and will be admitted to the first available bed capable of providing the level of care they require, in the following order based on the date of receipt of application:
 - i. All other eligible Veterans with service connected ratings of 70% to 100% by the USDVA.
 - ii. All other eligible Veterans with service connected ratings of 0% to 60% by the USDVA.
 - iii. All eligible Veterans not specified in earlier categories will be places on the waiting list in chronological order based on date of receipt of application.
5. If more than one application is received on the same day, the Medical Director will determine their sequential order on the list according to medical need. The Veterans will be called from this list and will be admitted to the first available bed capable of providing the level of care they require.
6. Spouses and surviving spouses may be admitted on exhaustion of placement of all eligible Veterans.

Wartime shall be defined as the following dates:

- World War II (12/07/1941 to 12/31/1946)
- Korean War (06/27/1950 to 01/31/1955)
- Vietnam War (08/05/1964 to 05/07/1975; 02/28/1961 'in country' before 08/05/1964)
- Persian Gulf War (08/02/1990 to Undetermined)

Wartime shall also be defined as any other dates that may be established by the United States Congress, Oklahoma Legislature, or Oklahoma Veterans Commission

The following provides technical procedure information for use by Veterans Center staff:

- All priorities are implemented on a statewide basis pursuant to official Rule 770:10-1-4. Names will be entered on the computer in the appropriate priority category in chronological order.
- If a veteran refuses the first available bed, he or she will go to the bottom of the list for that category.
- If a veteran accepts a bed and is admitted to one facility, then requests transfer to another facility, the veteran's name will be placed on the receiving facility's waiting list in the proper category in chronological order by date request received. The veteran will then be transferred when a bed is available in accordance with Standing Operating Procedure #701

III. Required Documentation

Individuals wanting admission to an Oklahoma Veterans Center must complete a Veterans Center Application Form. As support for the information provided by the Veteran, any of the following documentation may be used:

- Verified M11 from the U. S. Department of Veterans Affairs or a copy of Form DD-214-Certificate of Release or Discharge from Active Duty or any other documentation from the USDVA which could include DD- 215.
- EX-POW-documentation from the U.S. Department of Veterans Affairs, OR documentation from a branch of the Armed services, OR newspaper clippings verifying prisoner of war status.
- Disability rating from the U.S. Department of Veterans Affairs.

The Veterans Center Administrator and the Medical Director shall document the determination of eligibility for each veteran on the Pre-Admission form.

Oklahoma is among the top two states in the number of Veterans Centers providing intermediate to skilled nursing care for its Veterans. All centers undergo annual inspections by the U.S. Veterans Administration, the Oklahoma State Department of Health and follows the guidelines established by other health and safety agencies. Professional personnel provide diversified health services for every facet of complete health care in the Veterans Centers. These health services include but are not limited to laboratory, x-ray, pharmaceutical, dietary, social, and recreational. Thus, a well-rounded state Veterans program is created to administer care not otherwise available to over 1,400 Oklahoma Veterans. The Veterans Centers operate much like private communities, situated on spacious, landscaped acreage. In addition to the above, they include administrative offices, recreational halls, auditoriums, cafeterias, laundries, power plants, and maintenance shops. In recent years, the latest in Life Safety Code features have been installed in all structures which accommodate patients. Expansion and growth are evident at the Centers as continual construction is underway building new additions, cafeterias, offices and other such needed arrangements. A continual review of these facilities is made to ensure that each meets current safety and fire codes.

Veteran Financial Benefits

Oklahoma Income Tax

One hundred percent (100%) of income received as salary or compensation in any form by an Oklahoma resident as a member of any component of the Armed Forces of the United States can be deducted from taxable income. The Oklahoma Tax Commission has the authority to grant an extension to any member of the United States Armed Forces when filing is impractical or impossible.

Property Tax Exemption

Total property tax exemption for 100% Disabled Veterans.

Exemption for Retirement Benefits

The greater of 75% of retirement pay or \$10,000 is tax-free.

Exemption For Sales Tax

Veterans who are rated 100% permanently and totally disabled by the VA are exempt from state sales tax.

Financial Assistance Program

A program to provide financial aid to Veterans, their Spouses, Widows, and Children who are experiencing an emergency due to an interruption or loss of job and income resulting from illness, injury or disaster such as loss of home due to fire, flood or storm. Unemployment not resulting from the above cannot be considered a reason for granting emergency funds. These funds are designed for one-time emergency aid and not as recurring source of income. Financial Assistance funds are to be used only for the actual necessities of food, rent and utilities for Veterans and their dependents. The funds cannot be used for old debts, doctor or hospital bills, car payment, etc.

Employment Benefits

Veterans Preference

In establishing employment lists of eligible persons for competitive and noncompetitive appointment, certain preferences shall be allowed for veterans honorably discharged from the Armed Forces of the United States.

1. Five points shall be added to the final grade of any person who has passed the examination and has submitted proof of having status as a veteran, an unremarried surviving spouse of a veteran, or a spouse of a veteran who is unemployable due to a service-connected disability as certified by the Veterans Administration or agency of the Defense Department within six (6) months of the date of application
2. Ten points shall be added to the final grade of any war veteran of the Oklahoma Statutes who has passed the examination and has submitted proof of having a service-connected disability as certified by the Veterans Administration or Agency of the Defense Department within six months of date of application.
3. In addition to the 10 points preference such eligible war veterans who are in receipt of benefits payable at the rate of 30% or more because of the service-connected disability, shall be considered Absolute Preference Veterans. Their names shall be placed at the top of the register, ranked in order of their examination scores. Absolute Preference Veterans shall not be denied employment and passed over for others without showing cause.

Education Benefits

ODVA State Approving Agency

As the State Approving Agency (SAA) for Oklahoma, the Oklahoma Department of Veterans Affairs (ODVA) is under contract with the U.S. Department of Veterans Affairs (VA) to determine those programs of education and training within the state which may be approved for veterans training. ODVA approves all programs for Chapters 30, 32, 33, 35, 1606, and 1607 educational benefits. Through an approval process, ODVA ensures that institutions and employers are in compliance with federal guidelines and are qualified to provide the type of training offered.

SAA also continues to monitor approved programs by conducting annual on-site visits to all facilities that have veterans receiving benefits. This is how we determine if schools and employers are enforcing and abiding by the approved policies and procedures and if veterans are being certified for benefits correctly. Our goal is to ensure that every military veteran and family member eligible for federal or state veterans' educational benefits has the opportunity to pursue whatever educational endeavor they choose. Our role is to ensure that quality instruction is provided for every veteran or eligible family member who enters an approved educational or training program in the State of Oklahoma. Veterans Education staff responsibilities include:

- Serving as a liaison between Oklahoma veterans and the U.S. Department of Veterans Affairs
- Serving as a liaison between school officials, employers, and the U.S. Department of Veterans Affairs
- Maintaining a current listing of schools and employers with approved programs on our website
- Conducting outreach to prospective schools/employers in order to expand the training opportunities for Oklahoma veterans and increase the overall usage of State and federal educational benefits
- Investigating VA educational and benefit complaints from veterans and other eligible family members
- Providing information about training and educational opportunities to veterans, military personnel, schools, employers and labor groups
- Providing technical assistance and training to schools and employers in completing applications for approval and VA certification forms for benefits
- Participating in and conducting outreach and liaison activities with veterans' groups, military installations, schools, and other agencies

VA Education and Training Benefits

VA education benefits help Veterans, service members, and their qualified family members with needs like paying college tuition, finding the right school or training program, and getting career counseling. Veterans Treatment Court

The goal of the Veterans Treatment Court is to help those who served our nation recover from addictions. Tulsa Veterans Court targets veterans charged with non-violent felonies and who also struggle with drug and/or alcohol addictions, and/or mental health problems. Tulsa's is the first Veterans Treatment Court in Oklahoma and the third in the United States. Judge Sarah Day Smith called the initial Tulsa Veterans Treatment Court docket on December 8, 2008.

Veteran License Plates

There are several special license plates available for veterans in specific categories. The Oklahoma Tax Commission is authorized to design issue appropriate official special license plates as provided by this section. Special license plates shall not be transferred to any other person but shall be removed from the vehicle upon transfer of ownership and retained. The special license plate may then be used on another vehicle but only after such other vehicle has been registered for the current year with a motor license agent. The Commission shall take applications by October 1 of each year for the following calendar year for special license plates and shall issue such plates to each applicant for the following:.

- **Prisoner of War License Plates** – such plates shall be designed for honorably discharged or present members of the United States Armed Forces and civilians who were former prisoners of war held by foreign country and who can provide proper certification of that status. Such persons may apply for a prisoner of war license plate for no more than two vehicles with each vehicle having a rated carrying capacity of one (1) ton or less. The surviving spouse of any deceased former prisoner of war, if said spouse has not since remarried, may apply for a prisoner of war license plate for one vehicle with a rated carrying capacity of one (1) ton or less.
- **Disabled Veterans License Plates** – such plates shall be designed for persons presenting proper certification from the United States Department of Veterans Affairs or the Armed Forces of the United States certifying such veteran has a service-connected disability rating of fifty percent (50%) or more, regardless which agency pays the disability benefits, or that such veteran has been awarded a vehicle by the United States government or receives a grant from the United States

Department of Veterans Affairs for the purchase of an automobile due to a service-connected disability rating or due to the loss of use of a limb or an eye. Such persons may apply to the Tax Commission for a disabled veterans license plate or to a motor license agent for a regular license plate for no more than two vehicles with each vehicle having a rated carrying capacity of one (1) ton or less. The surviving spouse of any deceased disabled veteran, if the spouse has not since remarried, or if remarried, the remarriage is terminated by death, divorce, or annulment, may apply for a disabled veterans license plate for one vehicle with a rated carrying capacity of one (1) ton or less. The fee provided by this section for the special license plate authorized by this paragraph shall be in addition to all other registration fees provided by law, except the registration fees levied by Section 1132 of this title. Effective July 1, 2007, the total expense of this license plate shall not exceed Five Dollars (\$5.00).

- **Congressional Medal of Honor Recipient License Plates** – such plates shall be designed for any resident of this state who has been awarded the Congressional Medal of Honor. Such persons may apply for a Congressional Medal of Honor recipient license plate for each vehicle with a rated carrying capacity of one (1) ton or less.

- **Missing In Action License Plates** – such plates shall be designed to honor members of the United States Armed Forces who are missing in action. The spouse of such missing person, if said spouse has not since remarried, and each parent of the missing person may apply for a missing in action license plate upon presenting proper certification that such person is missing in action and that the person making the application is the unremarried spouse or the parent of such missing person. The spouse and each parent of such missing person may each apply for the missing in action license plate for each vehicle with a rated carrying capacity of one (1) ton or less.

- **Pearl Harbor Survivor License Plates** – such plates shall be designed for any resident of this state who can be verified by the United States Veterans Administration or the Armed Forces of the United States as being:
 - 1) a member of the United States Armed Forces on December 7, 1941
 - 2) stationed on December 7, 1941, during the hours of 7:55 a.m. and 9:45 a.m., Hawaii time, at Pearl Harbor, the island of Oahu or offshore at the distance not to exceed three (3) miles and,
 - 3) a recipient of an honorable discharge from the United States Armed Forces.

Such person may apply for a Pearl Harbor license plate for each vehicle with a rated carrying of one (1) ton or less.

The Oklahoma Tax Commission shall design and make available to any person who is issued a Pearl Harbor Survivor License Plate commemorative Pearl Harbor decal to commemorate the fiftieth anniversary of Pearl Harbor. Such decal shall include the language “Pearl Harbor 1941-1991” and shall be designed to easily be attached to a license plate. This decal shall be free of charge to those persons issued a Pearl Harbor Survivor License Plate.

- **United States Armed Forces** – such plates shall be designed for active, retired or reserve members of the United States Armed Forces and shall identify which branch of service, and carry the emblem a name of either the Army, Navy, Air Force, Marines or Coast Guard according to the branch of service to which the member belongs. Persons applying for such license plate must show proof of present or past military service by presenting a valid Uniformed Service Identity Card or the United States Department of Defense Form (DD- 214)

The Claims and Benefits Division

The Claims and Benefits Division provides many different services to the veterans and their dependents. The primary function is to assist veterans and their dependents with their claims before the U.S. Department of Veterans Affairs. Claims worked through the Muskogee Claims Office help claimants obtain compensation and pension benefits. Oklahoma Department of Veterans Affairs Service Officers and Claims Officers are accredited with a number of service organizations in order to better represent the claimant with their claims and appeals. The Claims Officers will assist in the appeals process, and if necessary, represent the claimant at a personal hearing before the U.S. Department of Veterans Affairs Hearing Officer. The Muskogee Claims Office handles lifetime hunting & fishing permits, special veterans license plates, and the Financial Assistance Program.

Visit the Oklahoma Dept. of Veteran Affairs website <http://www.ok.gov/odva> or call (888) 655-2838 for contact information and benefits assistance.
