

New York State Veteran's Benefits

February 2020

The New York State Division of Veterans' Services (DVS or Division) advocates on behalf of New York's Veterans and their families, as individuals and as a group, to ensure they receive benefits granted by law for service in the United States Armed Forces. The Division provides free benefits advising. Experienced and dedicated advisors — each a Veteran — work in a network of field offices across the state and offer Veterans and their families with professional help to resolve social, medical, and economic matters. Veterans Benefits Advisors assist the claimant — whether a Veteran, spouse, child, or parent — in completing applications, obtaining necessary documentation, and filing claims for a broad spectrum of federal, State, local, and private Veterans' benefits. Veterans Benefits Advisors also assist by responding to follow-up correspondence and, appealing an unfavorable ruling.

A toll-free information and referral hotline — 1-888-VETS-NYS (1-888-838-7697) — is available to refer Veterans and their families to the nearest Veterans Benefits Advisor Office or to schedule an appointment. The state of New York provides several veteran benefits. The New York Vet State Benefits attachment to this Bulletin offers a brief description of each of the following benefits.
